

# Global STR Associations Network '26

The Global STR Associations Networking and Lunch event will start with a focused round table debate session; table hosts will lead the focus for discussion and learning. Followed by a networking 2 course lunch.

This valuable networking lunch is hosted each year by an association with their chosen educational theme, with a relaxed approach to thought leadership and educational sessions over lunch.

#### Who is this event for?

- STR & Tourism Policy Leads
- STR, Tourism and Property Association Heads
- STR, Property Management CEO's

Do you want to get targeted exposure to 35 leading decision-makers and global industry change makers?

This event attracts high-level attendees: STR & Tourism Policy Leads, Association Heads and STR Property Management CEOs, giving you a exclusive change to align your company with the industry's global change makers.

Sponsors gain direct visibility to influential figures who influence this industries development, policy and narrative, offering real B2B partnership potential.
